

Arches

Meticulously crafted fibrous plaster arches, manufactured to your own individual specifications.

Stunning arches and architraves manufactured at our workshop in Alton, Hampshire.

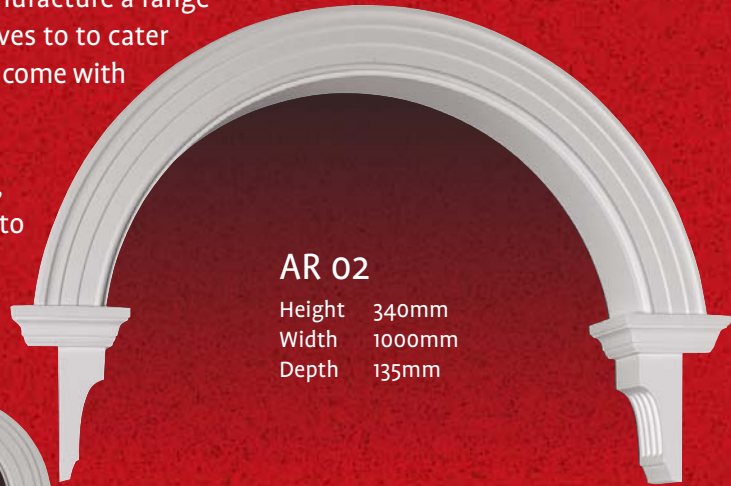

A.R.M. Fibrous Plaster Mouldings manufacture a range of fibrous plaster arches and architraves to cater for any width of opening - all of which come with a variety of design options.

In addition to our preformed moulds, we can manufacture bespoke arches to your specifications. If you need help choosing an arch design for your property or project, contact us.
